SIGMA CHI FRATERNITY AT THE UNIVERSITY OF ALABAMA | EST. 1876

SPRING 2013

## CHAPTER HOUSE COMPLETE, BUT CAMPAIGN IS NOT OVER We Need Your Help to Raise the Last \$323,000

Thank you to all who have contributed financially to the *Legacy Campaign for Iota Iota: Securing Our Future*. To date we have raised \$1,676,527 toward our \$2 million goal. After our first, full semester in our new chapter house, we are happy to report the chapter is stronger than ever and we are doing well at the Capstone. We have listened to your concerns and delivered an outstanding living/learning facility for the men of Iota Iota. Although our construction is complete, our job is far from done.

We have made great progress with our capital campaign, but we need to increase our contributions to ensure our chapter is on a solid financial foundation. The total project cost was \$6.8 million. This is on par with other fraternities on campus, and, in order to compete, building a house of this magnitude was imperative. To reduce our debt and make it much more manageable, we must fundraise the entire \$2 million goal.

The excitement around the chapter house is palpable. We have already seen its help with recruitment and our brothers are proud to give tours. They are taking care of the facility and are being great stewards of your investment.

However, this campaign is so important to continue our success and your help is needed immediately to help us reach our goal as quickly as possible.

- If you have not made a pledge, please do so now. We know you want to be a part of this once-in-a-lifetime opportunity.
- Many brothers have taken advantage of our convenient five-year pledge program to maximize their giving potential.
- **Remember, since all donations for this campaign go through the University, your gift is tax deductible.**
- All donors contributing a minimum of \$2,500 to the campaign, over a five-year period, will be recognized on a plaque prominently displayed in the new chapter house, and donors pledging \$1,000 or more will be recognized in campaign publications.
- \$1,000 over five years is just \$200 per year or \$16.66 per month.
- If you know of a brother who has not stepped forward with a gift, encourage him to make a pledge immediately.

The need is huge, and the time is now. Please don't wait, use the enclosed form to make your pledge to Iota Iota by June 1 so we can make plans for a permanent mortgage on the house. You can also go to [www.bamasig.org](http://www.bamasig.org) to make a secure pledge online.

### HELP US REACH OUR GOALS

We need your support! Every dollar we don't raise in this campaign, the chapter must fund. Do your part and help us double our participation and reach our \$2 million campaign goal.

Please respond with a pledge by June 1 so we can make plans for a permanent mortgage for the house.

## THE LEGACY CAMPAIGN FOR IOTA IOTA: SECURING OUR FUTURE

# THANK YOU, LOYAL BROTHERS AND FRIENDS, FOR COMMITTING MORE THAN \$1.67 MILLION

We sincerely thank the following brothers and friends for their dedication to the *Legacy Campaign for Iota Iota: Securing Our Future*. These alumni recognize the importance of ensuring the future of Sigma Chi and have demonstrated a sense of gratitude for their personal experience. Commitments are still needed from the rest of our alumni to achieve our goal of \$2 million for funding the building of our new home.

All donors contributing a minimum of \$2,500 to the campaign, over a five-year period, will be recognized on a plaque prominently displayed in the new chapter house, and donors pledging \$1,000 or more will be recognized in campaign publications. If an error has been made in recording your gift, or your name has been mistakenly omitted or listed improperly, we sincerely apologize. Please send corrections to **Jason Goggins '03** at [jmgoggins@gmail.com](mailto:jmgoggins@gmail.com).

## CAMPAIGN TRAILBLAZER JIM SEAVER '69 ON THE IMPORTANCE OF GIVING BACK

**J**ames M. “The Toad” Seaver '69 is very grateful for his time at Sigma Chi. The camaraderie he initially had with members during rush is what convinced him to join, as well as what led him to stay involved as an alumnus. “It was a privilege to wear the Norman Shield, and ultimately the White Cross of Sigma Chi, and I am proud to say I am involved with such a prestigious Greek organization.”

Jim earned a bachelor of science in industrial management from the University of Alabama. After many years in management for several global corporations, Jim went on to become one of the four founders of AGCO, a global corporation that specializes in the manufacturing, distribution, marketing, and sale of a full range of agricultural equipment. It is now the third-largest agricultural company in the world, with sales in excess of \$8.5 billion. Jim credits much of his success to his experience as a Sigma Chi. “Being a member of Iota Iota gave me the ability to work with many people toward a common goal. It also helped me communicate with others who had different ideals. I believe Greek life is very important to help young people broaden their horizons in college.”

Contributing to Iota Iota is very important to Jim. During the beginning stages of the campaign, he helped the board with fundraising efforts by calling fellow alumni. He also made sure to show his support by giving back. “Sigma Chi did a lot for me, so when they asked if I would be willing to lend my support, I said I would. I’ve been very fortunate in my business and personal life, so I dug deep and made a donation along with several other brothers; I believe this helped launch the campaign quickly.”

“I was initiated in the old house and spent about two years in the new house, so I was lucky enough to enjoy both residences. My hope is by contributing to the campaign, future Sigma Chis will have the same positive experiences I had and take away the same fond memories with their new house. It’s very rewarding to continue the amazing friendships you make and to stay in touch after all these years.”

Though Jim was unable to attend the dedication ceremony in September, he was back at the Capstone in February for the annual Golden Era reunion. A group of Iota Iota members from the Golden Era gather for a weekend of UA basketball and socializing with the active chapter. “I am very proud of the new house we have built.” For those who have yet to contribute, Jim wants them to know that their support is needed. **“Come back and make a contribution. It doesn’t have to be a large amount, but even \$5,000 over five years isn’t much and it would help the fraternity a lot.”**

Jim and his wife of 38 years, Susan, live in Duluth, Georgia (greater Atlanta). They have one son, one grandchild and another on the way, “I guess that makes one and a half grandchildren.” Jim loves to play golf and travel. Every year his family visits warm destinations that have included Aruba, St. Thomas, Palm Desert, California, and Las Vegas. Jim is also a world traveler, having been to every state in the union and virtually all of Europe, as well as making several business and personal trips to Africa, Australia, Asia, and South America. You can contact Jim at [jmseaver@bellsouth.net](mailto:jmseaver@bellsouth.net) or on his cell at (404) 386-2708.

## HONORED TRADITIONS INFLUENCE MEMBERS OF IOTA IOTA CHAPTER

### Success in Academics, Philanthropy, and Recruitment Motivates Sigma Chi

It is an honor to serve as Consul during this important time in the history of the Iota Iota Chapter of Sigma Chi. This year promises to bring many opportunities for our chapter to grow and continue to improve, and our brothers are working diligently to make sure we take full advantage of the coming year.

#### ACTIVES AIM TO IMPRESS AT SPRING PHILANTHROPY

After successfully hosting our 59th Derby Days last year, we immediately began planning this year's festivities under the leadership of Derby Days Chairman **Jordan Plank '13**. The 60th Derby Days will be held April 15-20, with proceeds going to the Children's Miracle Network. This year's Derby Days will be the first hosted at our new fraternity house on University Boulevard, Iota Iota is working tirelessly to ensure that it will be one of the most successful events to date. If you have any questions about this year's events or our philanthropic efforts, please contact Jordan at [jlplank@crimson.ua.edu](mailto:jlplank@crimson.ua.edu).

#### UNDERGRADUATES TAKE PRIDE IN NEW FACILITY

Last fall, we were excited to host hundreds of alumni and their families for the grand opening of the new chapter house, and we look forward to continue welcoming alumni and friends into our new home this year. We're deeply grateful to our alumni and the members of the housing corporation who made our move back to University Boulevard

*The fall 2012 executive board with the fall 2012 pledge class.*

possible. The house has been an enormous asset to our chapter, providing us with a much better facility to host events, serve meals, study, and hold chapter meetings. It is one of the most extraordinary chapter houses in all of Sigma Chi, and brothers living at the house enjoy the finest accommodations available at the University of Alabama.

From the decades we spent at the end of Jefferson Avenue, we know the character and strength of our chapter is not defined by the size and grandeur of our house. Therefore, it is our responsibility as brothers to uphold the high ideals of our fraternity and build on the rich traditions of the Iota Iota Chapter of Sigma Chi.

#### FALL PLEDGE CLASS SETS A RECORD AT SIGMA CHI

In order to continue our success, we must continue to recruit outstanding young men to provide new life and energy for our chapter. Last semester, we initiated 51 new brothers—the largest pledge class in chapter history. Collectively, this pledge class' fall 2012 G.P.A. exceeded 3.0. We're proud of their accomplishment and excited about the contributions they will make to the fraternity over the next few years.

As we grow in size, we continue to look for and recruit associates capable of continuing the legacy we have inherited as members of Iota Iota. Recruitment Chairman **Shawn Kestler '15** has already begun planning spring and summer recruitment events. **If you have questions about recruitment events or know someone who would make a great addition to our chapter, please contact Shawn at [spkestler@crimson.ua.edu](mailto:spkestler@crimson.ua.edu).**

As we go forward, we remain committed to the challenge given to us in our creed: "to make our college, the Sigma Chi Fraternity, and our own chapter more honored by all men and women, and more beloved and honestly respected by our own brothers." In rising to that challenge, we stand on the shoulders of the many great brothers who preceded us and are motivated on behalf of the many more who will surely come after we are gone.

## JOIN SIGMA CHI FOR A-DAY

### APRIL 20 AT 11 A.M.

The brothers of Iota Iota invite you to take part in our annual A-Day alumni barbecue April 20 at 11 a.m. We will grill for two hours before heading to the stadium for a 2 p.m. kickoff. All alumni, family, and friends of Iota Iota are welcome to join in the fun. We hope to see you there!
