SIGMA CHI FRATERNITY AT THE UNIVERSITY OF ALABAMA | EST. 1876

FALL 2024

You Can Always Go Home

Updates from
the IHC

Iota Iota House Corporation is all geared up for another great school year for our young men.

Required repairs and updates have been made over the summer, and by the time you receive this bulletin, our guys will be weeks into their fall semester.

The house will be open during all home football games, so feel free to drop by and show the house to family and friends. Keep in mind the chapter and IHC **will NOT be sponsoring** a tailgate tent on the Quad. We have done so in years past, but frankly, it was not well-attended enough for us to continue.

As always, if you have any questions or concerns, feel free to contact me directly, and I'll see what advice or suggestions I can give.

In hoc,
Will Yeldell '86

Keeping the Ball Rolling

Undergraduates Anticipate Another Successful Semester

Off-campus, our members worked in internships at prestigious companies like Barclays, Merrill Lynch, and Exxon. On campus, brothers' leadership and involvement in other organizations continue to be among the many things that differentiate our fraternity from others.

We want to recognize those who kept Iota Iota at the top last year:

- **Eric Neilson '26** and **Wil Morgan '27** served on IFC.
- **Landon Eskridge '25** was president of Capstone Scholars in Engineering.
- **Chris Venturini '25** was president of Capstone Agency.

We are proud of their drive and hard work, and we look forward to seeing others step into leadership roles this school year.

Philanthropy Chairman **Will Dyer '26** did a fantastic job last semester with Derby Days, as the chapter raised \$30,000 in one week. We're excited to see his plans for improving our philanthropic efforts this fall. We also partnered with B+, an organization that provides support for children and their families who suffer from cancer, to sponsor 10-year-old Will,

who is fighting leukemia. We plan to raise funds and plan fun events that will allow us to support Will and become his friend. I look forward to seeing Will and his relationship with our chapter grow for years to come.

Academics have been a highlight in the past; moving forward, we have a plan to improve our GPA even further. Academic Chairman **Ronny Borky '25** led us to a GPA of 3.27, firmly ahead of the all-fraternity, all-IFC, and all-undergraduate men's averages.

Recruitment this year was led by Brother **Jackson Broadway '26**. Jackson's efforts this summer led to 60 accepted bids from men across the nation! Each has been measured against the Jordan Standard, and these men were led by Magister **Eric Neilson '26** through Preparation for Brotherhood. We look forward to seeing them become integral to our chapter as they carry Sigma Chi's traditions and values in the future.

Thank you for supporting our brotherhood as we endeavor to excel at The University of Alabama.
