SPRING 2014

Iota Iota's Competitive Spirit Takes Root Campaign Reaches \$1,796,593 with Support of 349 Alumni and Friends

The brothers of Iota Iota have gotten behind *The Legacy Campaign* in full force. If you have been watching the class participation numbers, **you probably noticed that several pledge classes really stand out. Seven alumni classes have participation rates exceeding 60%, and four have raised more than \$100,000.** View the chart on page three to see how your class ranks.

We are \$203,407 short of reaching our \$2 million goal and need the support of *all* brothers to achieve success. We are 90% of the way there—we need YOU more than ever to help us meet our goal.

To date, 349 of 1,494 Iota Iota brothers have shown their support for this vital campaign. That translates to 24% participation. If you have not contributed, we are now offering the opportunity for more bragging rights within the chapter house and ask you to join together with your pledge brothers in this class challenge before the campaign concludes. Individual graduation classes that meet one of the three challenge levels below will be honored with naming rights at the new chapter house:

- Exceed 50% participation and collectively raise \$25,000 for naming rights to a dorm room
- Exceed 50% participation and collectively raise \$50,000 for naming rights to a front column
- Exceed 50% participation and collectively raise \$100,000 for naming rights to the back courtyard

It's time to apply serious dedication to making our new house a shining symbol of what fraternity life has to offer. Others before us made loyal commitments to ensure our success. Now it's our turn. We need to step up and match the high participation rates the active members and other pledge classes have already put forth.

By sending in your pledge today, you are establishing yourself as an alumni leader and showing the active brothers that the bonds of ΣΧ brotherhood do not end at graduation from the University of Alabama—it lasts a lifetime. We have come a long way since the campaign's announcement in 2012, but there is still much work to be done and little time left to do it. Please join us in this effort by making your commitment today.

THE LEGACY CAMPAIGN FOR IOTA IOTA: SECURING OUR FUTURE

THANK YOU, LOYAL BROTHERS AND FRIENDS, FOR COMMITTING MORE THAN \$1.79 MILLION

We sincerely thank the following brothers and friends for their dedication to the *Legacy Campaign for Iota Iota: Securing Our Future*. These alumni recognize the importance of ensuring the future of Sigma Chi and have demonstrated a sense of gratitude for their personal experience. Commitments are still needed from the rest of our alumni to achieve our goal of \$2 million for the building of our new home.

Where Does Your Class Rank?

Last fall, we issued a class challenge to help raise funds for *The Legacy Campaign*. Your participation will not only give your class bragging rights, it will also help Iota Iota reach its \$2 million campaign goal. Individual graduation classes that meet one of the three challenge levels below will be honored with naming rights at the new chapter house.

Special mention goes to the seven classes who have already reached a challenge level; congratulations to classes 1948, 1962, 1965, 1952, 1967, 1971, and 1969. You are leading the way, brothers!

Congratulations, Significant Sigs

Congratulations to **Alex W. Newton '52** and **Dag Rowe '69**, who were recently recognized by the National Fraternity as Significant Sigs.

We should all be proud of their accomplishments and the favor and distinction they have brought to Iota Iota Chapter. The Significant Sig award is one of the Fraternity's highest honors. It recognizes "those alumni members whose achievements in their fields of endeavor have brought honor and prestige to the name of Sigma Chi." The Sigma Chi Fraternity has recognized more than 1,400 brothers since the award's inception at the 1935 Grand Chapter. Alumni in any profession, occupation, or philanthropic

endeavor are eligible for consideration. Only living members of the Fraternity are considered for the award.

Beyond their incredible professional achievements, both Alex and Dag have made time to give back to Iota Iota and have been generous contributors to *The Legacy Campaign*. The chapter congratulates these two brothers. We are fortunate to have such noble leaders for our undergraduates and Sigma Chis everywhere.

For more information about this prestigious award, visit the National Fraternity website, www.sigmachi.org.

Iota Iota Alumnus New President of The White House Historical Association

The White House Historical Association announced that **Stewart D. McLaurin '81** had been selected to be its new president on April 23, 2014. Only five individuals have held this position since it was created in 1961 under the leadership of First Lady Jaqueline Kennedy. "This is a dream position for me. I will be leading the organization with the mission to support the historic preservation of the White House and educate the country, and the world, on the important history of the White House in all aspects," Stewart said.

The White House Historical Association is a charitable nonprofit institution whose purpose is to enhance the understanding, appreciation and enjoyment of the White House. To fulfill its purpose, the White House Historical Association produces educational literature and films, develops special programs, and maintains a website interpreting the White House and its history and the persons and events associated with it. From private funding and the sale of its educational products, the Association supports the acquisition of artwork and objects for the White House collection and contributes to the conservation of the public rooms.

"I'm blessed to have enjoyed a diverse career and to have so many supportive and affirming

friends and family from coast to coast and around the world. I anticipate that this role will be the pinnacle experience of my career and I look forward to investing myself into this position with all that I know from my life's work," Stewart said.

McLaurin currently serves as executive vice president, American Village Citizenship Trust, a unique national educational institution located on a 183-acre campus in Montevallo, just south of Birmingham, Alabama. Its work is focused on teaching youth America's legacy of liberty, remembering the price of liberty, and promoting public regard for the Constitution and America's charters of freedom. The American Village engages about 35,000 students a year from all over Alabama and surrounding southeastern states.

"I'm deeply grateful to the American Village for the privilege of working with them this past year. I will remain a significant fan of the American Village and will always be a promoter of the important work done there by an extraordinarily talented team. While I will retain my home base in Tuscaloosa, I will return to Washington, D.C., in the coming weeks and resume my professional life there, in a very familiar community."

Walter Byars's Lifetime of Service Forever Commemorated

Walter Ryland Byars Jr. entered Chapter Eternal on January 23. Upon graduating from law school, Mr. Byars served on active duty as LTJG in the United States Navy. After college, he served as Iota Iota chapter advisor, member and later president of the Iota Iota House Corporation, and President of Birmingham and Montgomery Sigma Chi Alumni Chapters. As quaestor, Byars was instrumental in paying off the debt on the original Sigma Chi house; and thereafter, was instrumental in building two new chapter houses for Iota Iota, the last being dedicated in 2013. In 2012, Sigma Chi International selected him as a Significant Sig, and Iota Iota Chapter selected him as the first recipient of its Lifetime Service Award. Walter was one of the most respected attorney's in the state of Alabama having practiced for more than 60 years and serving as president of the Alabama State Bar.

Sine Walter's passing, the chapter has graciously received \$7,970 in gift toward *The Legacy Campaign* in memory of him.

Iota Iota Thrives at Capstone

Brothers Focus on Philanthropy, Scholarship, Recruitment

The Iota Iota is proud to report the merit and leadership of our brothers are better than ever. Many brothers hold important leadership positions in organizations on campus and continue to improve our visibility at the University of Alabama. We want to recognize those who keep Iota Iota at the top. **Jake Bottcher '16** and **Quinn Meineke '16** have positions in Capstone Men and Women, **Matt Macia '16** was selected to serve as a Greek Ambassador, and **Ford Lindsay '16** is a University of Alabama steward. We are proud of them and look to continue our involvement on campus.

PHILANTHROPY AND COMMUNITY INVOLVEMENT

Philanthropy Chairman **Danlee Wallace '17** has been working hard and the chapter has partaken in a handful of new events. In February, we teamed up with Delta Gamma and the University of Alabama wheelchair basketball team for an event benefitting Adaptive Athletics. Along with this event, we teamed up with Pi Kappa Alpha and most of the Greek organizations for Be the Match. This was an event to find a match for a bone marrow transplant for the daughter of a Pi Kappa Alpha alumnus. It was successful, and was one of the largest Be the Match events across the nation.

IMPROVING ACADEMIC STRATEGY

We are working on improving our academics and raising our GPA. Last year we won the most improved fraternity GPA award and want to continue that effort by empowering Scholarship Chairman **Nick Gravlee '16** and finding the support of on-campus tutors.

CHAPTER MEMBERSHIP ON THE RISE

We are currently in the recruitment process and have great potential for our upcoming pledge class to be as successful as our current members. We look forward to growing our chapter and becoming more involved with our alumni who have allowed us to maintain such a rich tradition at the University of Alabama.

We look forward to the recruitment season, adding more outstanding young men to our chapter, growing our leaders, and involving our alumni more actively. If you are ever in Tuscaloosa or know any outstanding young men, please contact **Ford Lindsay '16** at cplindsay@crimson.ua.edu and stop by the chapter house.
